## HOW YOU CAN HELP

It costs CAMO an average of \$100  
to save one child's life. As a donor,  
service group or church congregation  
prayerfully consider helping meet  
the needs of the poor.

## BECOME A CAMO VOLUNTEER

We welcome adult volunteers of all  
ages and skill levels. Please call CAMO  
and use your gifts and talents to make  
a difference in the lives of so many.

## TOGETHER WE LEARN HOW TO TAKE CARE OF OTHERS!

Through this contest we not only encouraged children to share "something" they had done for others, but also what motivated them to practice those values that guide us to be aware and take action of other's needs.

Liliana Campos is the winner of the contest 1st-3rd grade. She is 8 years old.

## SOLIDARITY: A STORY THAT STOLE OUR HEARTS. *A FEW WORDS FROM LILIANA.*

**MY GRANDFATHER IS A VERY TALL MAN; HE IS BLIND BECAUSE HE HAS PROBLEMS IN HIS EYES.** When he wants to go to the bathroom I help him taking him by his hand until I get to the bathroom. I always keep an eye on him because he can easily fall down and get hurt, many times I feel sad because I feel sorry to see him suffer. Before, when he had vision, he used to look at me and tell me to take care of myself, he used to give me lots of hugs and I felt very happy. He feels very sad now because he has no vision, he would like to work and see people and animals. He was a very hardworking man and he misses going with his family to the countryside and to church so that God can take care of him and protect him from evils. I am a very young girl, I love him very much and he also loves me back.

One day he felt very ill and the people took him to the doctor and the doctor told them to buy medicine for him, we all helped him a lot to take care of himself and to buy the medicine. My mom helped him out into the yard so he could receive the morning sun and feel the air and breathe it in, he was in bed most of the day. I was very happy when the children helped him. We should help and respect the humble people who need us.
