SUPPORT CAMO'S COVID AND HURRICANE RELIEF

HONDURAS NEEDS YOU

Give to a country that has lost so much this year. Your donation will provide shelter, food and medicine to people affected by hurricanes Eta and Iota in Honduras.

Donations can be made at our website: www.camo.org/covid-19-eta-iota-relief/

Covid-19 continues to rage through the Honduran community and conditions are made worse when people are packed into shelters. Please protect lives by supporting CAMO's plan of building 40-minute houses that will allow people to isolate in family groups instead of large, crowded spaces. \$834 provide shelter to a family.

People need to eat and resources are limited due to the losses caused by hurricanes Eta - Iota. Honduras does not have the social services that other countries, such as the USA. With \$147 you'll be providing food selected by CAMO's nutritionist for one month to a family of six.

To date, CAMO has served by distributing 2,000 personal hygiene and PPE supplies to those who have lost everything.

CAMO IN FOCUS

SEPTEMBER–OCTOBER 2020

TOUR CAMO

Would you like to take a tour of CAMO? Call the office at (330) 683-5956 and see how God is moving by bringing hope to the forgotten.

HOW YOU CAN HELP

It costs CAMO an average of \$100 to save one child's life. As a donor, service group or church congregation, prayerfully consider helping meet the needs of the poor.

BECOME A CAMO VOLUNTEER

We welcome adult volunteers of all ages and skill levels. Please call CAMO and use your gifts and talents to make a difference in the lives of so many.

HONDURAS NEEDS YOU

IN OUR 27 YEARS OF SERVING PEOPLE IN HONDURAS, WE HAVE NEVER FACED SO MANY DIFFICULTIES AS WE ARE FACING NOW IN 2020. There has never been a greater need for healthcare services, medical supplies, PPE, and above all, compassion as we deal with Covid-19 and the losses caused by the devastating hurricanes Eta and Iota. The natural disasters, combined with Covid-19 illnesses, means our friends in Honduras need our help now more than ever.

Over three million people have been affected by hurricanes in Honduras. First came Eta, leaving more than 1.7 million people affected, and two weeks later came Iota finishing the damages already done by Eta: homes flooded to the rooftops, buildings, bridges, roads and crops completely gone. At a national level, over 100K 100,000 people are in shelters. A great number of families have lost everything and are now unable to access essential health services in the midst of an uncontrolled pandemic. Covid-19 cases are expected to surge in the aftermath of the two hurricanes. This can be attributed to the limited space in the overcrowded shelters and the lack of personal hygiene products and masks.

Right after hurricane Eta swept Honduras, our Honduran team quickly contacted the municipalities of the 11 communities in western Honduras supported by CAMO to aid the affected families in these areas. Our team multiplied their efforts to help protect the health of the population that had been affected by hurricane Eta. CAMO provided 1,500 kits containing masks and personal hygiene products to affected families in the rural communities of Belen Gualcho, San Juan de Opoa and San Agustín that were housed in schools and churches. Other sanitizing products such as alcohol, and hand sanitizer were also donated to supply these shelters.

Now after Iota, CAMO is working harder and looking for ways to bring relief to those who have lost everything. But to be able to do this, we need your help. Every dollar provides relief, so no matter the size of your donation, every little bit helps. Your donation will give shelter, food and medicine to people in Honduras. Visit our webpage to make your donation: www.camo.org/covid-19-eta-iota-relief/
