

CAMO AT A GLANCE 2021–2022

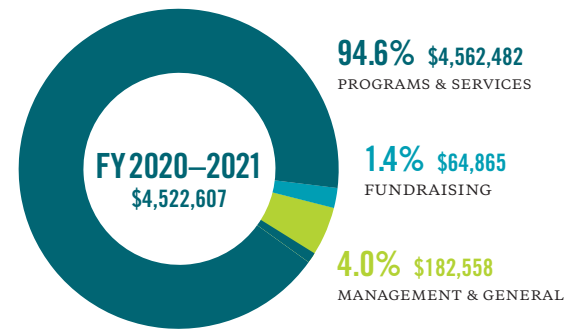

SERVE / EDUCATE / EQUIP
COMMUNITY PARTNERSHIPS

CAMO.ORG

Now entering our twenty-ninth year, CAMO has made a difference every day by staying on course and focusing on the long-term sustainable model. We are so thankful for each donor, patient, staff, counterpart, and volunteer. Each of these individuals is a vital part of our success.

CAMO has not stopped serving people; in fact, we are one of the few international medical/education/community development organizations that are still fully functional. Why is this? Simply put: thanks to our focus on the sustainable development of counterpart relationships and of programs focused on the needs of the people we serve.
