CAMO Home for Sale

Thanks to the generosity of the Home Builders Association, CAMO board member Dennis Horst, and many volunteers, this beautiful home is for sale in Marshallville, OH! All proceeds will be donated to support CAMO's expansion project in Honduras. This is a wonderful opportunity to purchase a home while making a lasting difference in the lives of others.

To schedule a tour or for more information, please contact Realtor

WWW.CAMO.ORG

Last week, we blessed children at the local Day Care with toys and games donated through the CAMO Collection. Thank you for helping us meet our programs' urgent needs! Visit camo.org/collection to see the other items we are collecting this fall.

Our two golf scrambles held at The Pines Golf Club & Oak Shadows Golf Club were a great success! Thanks to the support of our participants, volunteers, and donors, we raised over \$37,000! These funds will directly support CAMO's programs in Honduras, benefiting more than 216,000 people annually.

Educators from 16 rural schools in our Literacy Program recently gathered with CAMO to share their greatest challenges and explore ways to strengthen learning in their classrooms. Since 2018, this program has touched the lives of 11,283 children across western Honduras.

CAMO IN FOCUS

JUL–AUG 2025

TOUR CAMO

Would you like to take a tour of CAMO?
Call the office at (330) 683-5956 and
see how God is moving by bringing
hope to the forgotten.

HOW YOU CAN HELP

It costs CAMO an average of \$100 to
save one child's life. As a donor, service
group or church congregation, prayerfully
consider helping meet the needs of the poor.

BECOME A CAMO VOLUNTEER

We welcome adult volunteers of all ages and
skill levels. Please call CAMO and use your gifts
and talents to make a difference in the lives of
so many.

The Power of Early Detection

From selling fresh tortillas around town to housekeeping, Patricia (57) has worked hard over the years to provide for her family. What many people don't see behind her smile, is a story of loss, courage, and redemption.

At a young age, Patricia lost her mother to cervical cancer (dying at just 50 years old). With pain in her voice she shares "My mom died only a year after being diagnosed." Determined not to repeat her mother's story, Patricia faithfully went for annual scans beginning in her early 20s. At age 52 Patricia's biggest fear was now a reality when she was diagnosed with cervical cancer. "I couldn't believe what I was hearing, but I knew it was time to fight, this would not be how my story ended".

In the midst of her long and painful journey the Covid-19 pandemic hit, and like many others, she was no longer able to work or go to her radiation treatments. It was during this time that Patricia learned about CAMO and what we could do to support her. "I had no job and no money, but CAMO helped me with my check-ups as well as the encouragement and support I needed to continue healing."

Now cancer-free, Patricia is encouraging others with her story "I tell women to get their Pap tests every year & not to neglect themselves. If someone doesn't know what to do, I will personally go with them. There's no need to be afraid—you just have to take care of yourself!"

Because of the generosity of supporters like you, CAMO's Women's Health Programs continue to provide affordable Pap smears, mammograms, ultrasounds, and life-saving care to over 5,000 women each year in a dignified way. Patricia's life—and the lives of so many others—stand as a testimony of the hope your partnership makes possible.

Capital Campaign

Empowering Tomorrow: Sustainable Health and Education for Honduras

\$1,200,000

REACHED OF
\$2,500,000

Keep going, we're almost there!

48%

Phase one of the capital campaign is well on its way! We've raised \$1.2 million of our \$2.5 million goal. Phase one includes a new 1.47 acre warehouse along with a prosthetic and wheelchair fabrication lab and biomedical area. Follow us on social media for weekly project updates!
